

Naloxone Distribution Dates

Columbia, Montour, Snyder, Union, and Northumberland Counties

Naloxone (Narcan®) is a life-saving medication that has one purpose: reverse an opioid overdose.

United in Recovery is organizing free community naloxone giveaways. Community members can pick up naloxone kits along with information on substance use disorder treatment, counseling services, peer support, and basic needs assistance. Fentanyl and xylazine testing strips, along with other harm reduction, recovery and treatment resources, are also available.

2024 distribution days are as follows:
