

**NORTHEAST PENNSYLVANIA BUSINESS CENTER**

## **Full Service Drone & Videography Services**

### **Helping to Build or Grow Your Business**

Seeking some business perspective? Sometimes a bird's-eye view is what you need! Northeast Pennsylvania Business Center knows the importance of creating an integrated marketing and advertising campaign and offers a variety of services to help make this happen. NPBC can produce crisp and clear aerial photos of products, services, or properties and places. Our team of professional photographers, videographers, and an FAA certified drone pilot will provide you with truly customized, high-resolution digital marketing content that can be used virtually anywhere.

**DO WHAT YOU  
DO BEST.  
OUTSOURCE  
THE REST.**

*By marketing your business with compelling and truly unique content via photography and video, you can significantly improve your ability to attract and retain customer attention. We have the experience, skills, and gear to bring your brand to life.*
