*FOR IMMEDIATE RELEASE*

### **rabbittransit – Microtransit Expands to Berwick**

York, PA – rabbittransit expanded their microtransit service, Stop Hopper, to a new area in Berwick, Columbia County, PA last month.

As an introduction to the new service, rabbittransit is offering two free rides to new riders through December 31, 2024. To redeem the offer, individuals must download the Stop Hopper smartphone app from the App Store or Google Play, and enter the code HOP4FREE under promo codes in the menu section of the app. The two rides will be automatically credited to the rider's account.

The Stop Hopper app enables residents to schedule rides on smaller, neighborhood friendly-sized public transit vehicles. Riders can travel anywhere within the designated zone. Following a ride request, the app provides passengers with an estimated pick-up time. The app also tracks rides in real-time and alerts passengers when their ride is about to reach their desired destination. Riders without a smartphone may request their free rides by contacting 1-800-632-9063.

Stop Hopper is available from 6:30am until 6:30pm Monday through Friday. It is \$2.00 per ride and free for registered seniors 65 years and older with a registered free fare ID card. Vehicles are ADA accessible. For additional information, visit [www.ridethestophopper.org](http://www.ridethestophopper.org).

*rabbittransit, a regional public transportation provider, offers a variety of transportation services to the residents of Adams, Columbia, Cumberland, Dauphin, Franklin, Harrisburg City, Montour, Northumberland, Perry, Snyder, Union and York. rabbittransit's administrative offices are located at 901 N.
